Description

Located on the Santa Cristina beach in Spain's rugged Costa Brava region, the Hotel Santa Marta sits like a jewel among six hectares of lush Mediterranean woodland. Its strategic location on the south of the Costa Brava near Girona and just an hour from Barcelona, make the Santa Marta hotel an ideal place for holding all types of meetings, conventions, seminars, exhibitions, product launches, team building, press conferences or any other kind of business activity. The meeting rooms have natural light and all the latest technical equipment, as well as free Wi-Fi access in all areas of the hotel. The hotel installations prove to be ideal for holding cocktails, breakfasts, gala dinners and banquets.
